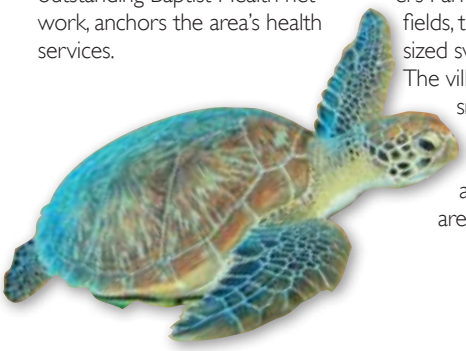
Area Services

Islamorada is an outstanding town in which to live, work and play. The Atlantic Ocean is our front yard, the Everglades and Florida Bay are our backyard, and water-related tourism is our main industry. Incorporated as a village in 1998, Islamorada is comprised of four islands; Plantation, Windley, Upper Matecumbe and Lower Matecumbe Keys. They span 20 linear miles and are home to a full-time population of 6,500. Village residents don't pay state income taxes and they also enjoy property taxes that are well below those encountered on mainland South Florida.

Mariners Hospital, part of the outstanding Baptist Health network, anchors the area's health services.



The highly ranked Monroe County School District has a high school, elementary/middle school, charter school and Christian school in the village.

The Florida Keys Electric Co-operative provides Islamorada with a reliable power system at a price that is among the lowest of Florida's power cooperatives. Fresh water is pumped to Islamorada from the mainland by the Florida Keys Aqueduct Authority, a state-backed utility that is run locally in the Keys. The village runs its own wastewater utility.

Bike paths span most of the town. The village's crown jewel, Founders Park, houses a beach, ball fields, tennis courts, an Olympic-sized swimming pool and marina. The village also maintains several smaller parks, plus Islamorada is home to three state parks. Lignumvitae and Indian Key state parks are only accessible by water.

live work play

Low crime, a steadily improving real estate market, small-town camaraderie and excellent public amenities are other reasons that Islamorada residents enjoy a superb quality of life.
