Pete Bacheler

Islamorada is known as the Sportfishing Capital of the World, and for good reason. Our perfect location enables the large local charter fleet to guide anglers into diverse habitats. Fishermen can go after their prey in the deep waters of the Atlantic, chase them on top of an underwater sea mountain, or reel them in from the reefs. For a different experience, anglers can board a flats boat and head into shallow waters of the Florida Bay in search of the legendary grand slam.

The Keys are home to the third largest barrier coral reef system in the world making Islamorada

a mecca for divers and snorkelers. Our many dive/snorkel shops ferry the experienced and novice alike to reefs and underwater wrecks, where they're sure to see an assortment of colorful fish and corals. Closer to shore, kayakers and paddleboarders can enjoy calm waters as they make their way between open seagrass meadows, mysterious mangrove tunnels, bird rookeries and historic islands.

The adventure-minded can swim with a dolphin or try out jet skiing, kiteboarding, or windsurfing, or view the islands from a parasail.

Those who want a relaxed view of the waters can take an ecotour or sunset cruise where you might be joined by a pod of manatee or bottlenose dolphin. You will find plenty to enjoy on land as well. Islamorada is home to three state parks where visitors can hike, learn about local geology, visit ruins of an old wrecking town and check out an isolated historic coral rock home.

Visit a museum where you can learn about legends of the deep, or the history of the Keys.

Other attractions include a 17-acre marine mammal park and various marinas where visitors can feed tarpon, known affectionately as the Silver King. If you want to while away a lazy day under the sun, rent a sailboat or simply unfold a lounge chair at a local beach and dip your toes in the water.
