# Dining & Pubs

Sophistication meets Keys charm when it comes to the Islamorada dining scene. Whether you're looking for an elegant dinner or a casual Tiki bar where flip-flops and pets are embraced, you'll have no problem finding it here.

Naturally, seafood is Islamorada's biggest dining draw along with spectacular Florida Keys waterfront views. Restaurants throughout our four islands serve a wide array of local catch including mahi mahi, grouper; tuna, hogfish, yellowtail snapper; swordfish and more. Visitors from August through March will be treated to delectable spiny lobster; pulled fresh from the ocean. Florida stone crab claws, a true delicacy, are featured on menus during their October-'til-May season. A must have!

Islamorada is known as the Sport-fishing Capital of the World. And if you have your own successful day with hook and line, many restaurants will be happy to cook your catch for you, locally known as

"hook 'n' cook." Travel by boat to reach your favorite dining spot... it's the way of the islands.

Islamorada's dining ranges from refined steakhouses to ethnic offerings including Italian, Greek, Mexican, and Cuban food as well as fresh local sushi. Sipping signature drinks at the end of the day is a great way to relax and unwind.

Experience cool sea breezes at breakfast time as the sun rises over the Atlantic Ocean. Choose from classic diners, quaint coffee houses and upscale cafes. For lunch, you don't have to change out of your swimsuit and sandals to take in a waterfront view while biting into a tasty fish sandwich.

Sit outside and watch the sunset on Florida Bay while enjoying wine and dinner at one of several bayfront eateries. Or put on your "Keysey" best and move indoors for a romantic, candlelit dinner. While on vacation, it is perfectly acceptable and often essential, to indulge in the sweet temptation of a decadent dessert, and leading the list as the local favorite is our world famous Key Lime pie prepared using native Key Limes.

Sounds of beach music fill the air such as steel drum, hillbilly flamenco, trop-rock, blues, country, or island grass to name a few; while live entertainment including fire dancers, magicians, and custom palm frond artists often accompanies the dining experience.

## Dining & Pubs, CONTINUED

### Atlantic's Edge at Cheeca

MM 82 (O), 305-664-4651, [www.cheeca.com](http://www.cheeca.com)

24 55 3N - 80 38 4W (Come by boat)

Enjoy freshly-roasted coffee from around the world brewed to your specifications. Also mobile coffee roasters; available at events throughout the Keys or order on line. \$

## *What's so special about dining in Islamorada?*

**Stone Crab Claws** are a very popular Florida seafood. These crabs have the unusual ability to regrow their claw when harvested by a trapper (only taking the largest claw). Stone crabs can be served hot or cold and pair perfectly with a creamy mustard dip. Stone crab season is October 15 - May 1.

**Key Lime Pie** is a favorite dessert for locals and tourists, made from Key lime juice, egg yolks and sweetened condensed milk. Key lime trees are found throughout the Florida Keys. Key limes are more tart and aromatic than the more common Persian limes. Key lime juice is pale yellow.

**Conch Fritters** are a traditional Bahamian recipe that is made with conch, a wonderful shellfish that is delicious but very hard to find. Many chefs add their own special spice mix to keep their recipe unique. They are good for lunch, dinner or a laid back afternoon snack. Easy to find on local menus.

**Smoked Fish Dip** is a very popular smooth spread served with crackers, bread or fresh vegetables. King, Spanish mackerel, and amberjack are excellent for the smoker and make a great base for this dish. It's served at many local restaurants, or it can be bought in bulk at local seafood markets.

**Florida Spiny Lobsters** are known for their sweet, tender meat. They're delicious grilled or baked. The official lobster season is August 6 - March 31.

**Fish and Shrimp Tacos** are a natural pairing with the huge variety of local fish and Key West pink shrimp available. Delicious — a must try!

**Lobster Bisque** is a delectable, smooth and creamy blend of sweet Florida Keys spiny lobster and spices. As an appetizer or a meal, it's always a delicious choice.

**Hook 'N' Cook** your catch! Islamorada is known as the Sportfishing Capital of the World, and once you've caught your fish, local restaurants will cook it for you.

## Islamorada Plants and Trees

Hibiscus Marketing

### Royal Poinciana

Some say this is the world's most colorful tree with fern-like leaves and flamboyant display of scarlet or orange-red flowers, often called the "fire tree." It is a fantastic shade tree because of its tall but elegant, wide-spreading umbrella-like canopy.

### Bougainvillea

Nothing is more breathtaking than a bougainvillea in full bloom with its spectacular color. This thorny ornamental bush has colorful flowers in pink, magenta, purple, red, orange, white or yellow, and the colorful petals are actually leaves called bracts.

McLaughlin Photo

### Gumbo Limbo

Comically referred to as the "Tourist Tree" because its bark is dark red and peeling like the skin of sunburnt tourists. One of the most hurricane-resistant trees, they were planted to serve as wind protection.

### Key Lime

Best known as the flavoring ingredient in Key Lime pie, this citrus species is a shrubby tree with many thorns. Its fruit is in a class all its own and ranges in size from ping-pong to golf ball.

Pete Bachelier

### Palm Trees

Palm trees are associated with sun, sand, vacations and the relaxed lifestyle in the Florida Keys. There are about 2,600 species of palm trees, almost all of which can be grown in Florida.

### Hibiscus

These eye-catching flowers attract butterflies, bees and hummingbirds. They are used to make tea and other beverages, and also represent nations as the national flower of several countries.

Cinnamon Edgar

### Tabebuia

Primarily used for lumber; these trees are best known for their showy vibrant yellow flowers which look like trumpets and are an important source of nectar for hummingbirds and bees.
