Shopping & Galleries

The four islands of Islamorada are a linear treasure trove of unique shops and galleries. You'll be mesmerized by wood carvings, fused glass, fine oils and acrylics in Islamorada's galleries featuring the works of our local island artists as well as a world class selection of outstanding boutiques and jewelry shops.

The northernmost key in Islamorada, Plantation Key, is the perfect place to start your shopping extravaganza. Boutiques and specialty stores with a waterfront boardwalk await you at Casa Mar Village. Meander along and enjoy the view at this colorful collection of seaside shoppes - do a paddleboard demo

or purchase fresh-caught fish from the seafood market.

A bit further south, still on Plantation Key, you'll enjoy the waterfront, Bahamas-style shopping experience at Old Conch Harbor, an eclectic, open air market. Plantation Key is also home to several unique galleries located at MM 88.8 oceanside featuring original acrylics, stained glass art and jewelry, pottery and bronze sculptures. While visiting these Old Road galleries, be sure to wander outside where you'll find hidden sanctuaries adorned with native hardwoods and winding paths. The Rain Barrel is where you'll find "Betsy" the giant lobster, a favorite photo stop, as well as an artisans' cove of souvenir and gift shops, a pottery studio and original art galleries.

Travel over Windley Key and enter Upper Matecumbe Key. Many of the shops here stretch along a

walkable section known as the Morada Way Arts District, where the streets come alive on the third Thursday of each month for the evening Walkabout. One-of-a-kind jewelry stores, galleries and boutiques line a breezy expanse of the island on the oceanside.

On the bayside you'll be tempted by amazing underwater acrylic masterpieces, brilliant fused glass, and tropical inspired paintings in an array of galleries.

The lush tropical landscape of Upper Matecumbe Key is also dotted with unique stand-alone shops and clothing boutiques offering everything for the tourist, the homemaker and the outdoor adventurer in your life. Within the variety of shops, boutiques and galleries you will encounter artists and

craftsmen creating the traditional to the whimsical.

Indian Key Fill, bordered by our famous turquoise waters, marks the transition still further south to our fourth island, Lower Matecumbe Key, where the seaside atmosphere takes you back to a simpler time at Robbie's Marina. An unusual blend of local art, conch crafts, jewelry and collectibles fill the Old Florida style shops and stands you'll find here.

HISTORIC ISLAMORADA

Islamorada's history spans more than 3,000 years and represents a fascinating story of nature's power and human courage in an island paradise. The Matecumbe Historical Trust is a non-profit organization dedicated to the education, history and preservation of the Florida Keys; free information is available by calling or visiting online.

The Trust created the Heritage Monument Trail: Markers and descriptive plaques are located throughout the islands marking sites of historical interest, and a colorful self-guided tour brochure is available, mapping the locations of the markers and giving a brief history of each.

THE HIGHWAY

The Florida Keys Overseas Highway from Key West to Marathon is the only All-American Road in the United States.

It's the highest rated National Scenic Byway in the U.S. Congress has designated it a National Scenic Byway.

It's been called "the most spectacular" "the Road to Paradise" not only gets you somewhere, sealing itself unto itself. And the only you can dip your toes in the Ocean then walk across the road dip your toes in the Gulf of Mexico.

Enjoy the

Mile Markers

Watch the side of the road for small green markers noting each mile of the Overseas Highway. Abbreviated "MM," businesses in the Keys use these numbers to help you find their location. Islamorada covers from MM 90 (north) to MM 72 (south).

If you find an injured bird call the Florida Keys Wild Bird Center at 305-852-4486

Y THAT GOES TO SEA

Overseas Highway, from Mile Marker 0, was designated in October 2009. The Keys All-American Road in Florida. Recognition possible under the Overseas Highway program established by Congress in 1991. Only 57 other highways in the nation have earned the prestigious title.

"The Highway That Goes to Sea," "the highway in the U.S." and even "the road to Mexico." It's the kind of road that takes you to some place but also takes you to a place where the Atlantic Ocean and Mexico.
